

October 19, 2022 – NCLGA President’s Message re: 2022 General Local Elections.

On behalf of the North Central Local Government Association (NCLGA), it gives me immense pleasure to extend my congratulations to all re-elected and newly elected representatives in the 2022 General Local Elections. I wish you every success as you prepare to take up the responsibilities and challenges of elected office. I look forward to working with all of you and I trust we will continue to work collaboratively together for the improvement of all our rural and urban communities in the NCLGA Region (70% of BC’s Landmass).

I wish to sincerely thank everyone who ran in this election. Your time, energy and commitment to the democratic process is essential to our communities’ resilience, and I am proud to have worked with you. I wish to especially thank all those individuals for their service who did not run or were not re-elected.

Finally, to those successfully elected or re-elected, I strongly encourage you to attend our [2023 NCLGA AGM & Convention](#) being held in the City of Dawson Creek in Treaty 8 Traditional Territory from May 9-12, 2023.

Steve Forseth
President, North Central Local Government Association

Additional Information:

The North Central Local Government Association is the advocacy body for local government officials in north-central BC. As a non-partisan, non-profit association, the NCLGA aspires to provide a voice for communities whose voices are often unheard due to their size or location.
